Describe yourself in five words...

Enthusiastic, loyal, thoughtful, tenacious
and energetic.

Finish this sentence. Money is...
A necessary evil.

What drives you mad? Waiting

**If you could take the next year off what
would you do?** Get a house on the
Dalmation Coast in Croatia and explore
the country. I would not take my laptop
– just simply relax and enjoy their food and
wine, and read.

**What is something scientists need to
invent?** A fuel tank that doesn't need
refilling – I always put off refuelling my car
until the last possible minute.
